Wake up! News

Celebrating Namibia's Independence

On the 21st of March Namibia celebrated her 20th Anniversary. Teachers prepared traditional dances with the children and traditional food.

Teacher Laimi (Ovambo) presents spinach to Kamuyarukwa (Herero) and Lydia (Nama).

Teacher Talitha and teacher Biwa present a Herero dance (up) and Nama dance (right).

April 2010

From the Editor

Welcome to the fifth edition of our newsletter. The first term in our school has flown by. We have started teaching and realised one does not build up a school overnight, it takes time and effort. But with every new theme we present to the children, every new exercise that is completed and put on the shelves, we add something. The children are excited about every new thing they experience. Their eagerness to learn and play is what makes teaching them a great job. We now have a two-week break and come back on the 10th of May.

Learning is Fun

Children in the centre have started to get used to the rhythm of a Montessori classroom. Between 7 and 9.30 they do their own work, after which they come together for group activities like ring time, music and art.

March 30 we finally were connected!
Electricity, what a great good!

Trees

We received various donations to buy trees and also valuable advice what to get, as we need indigenous trees that need little water. A big thank you to Virginia, Jo, Vera and again the International Women's Association of Namibia for their generous help.
