# Wake up! News

## We are building!

Preparations on the building site started in May: clearing, back filling, egalising and fencing. Work on the foundations started in June and now the walls are going up!

On the 26<sup>th</sup> of June a ceremony was held to celebrate the start of the building process and as such the official launch of the project. The cornerstone was laid by City of Windhoek Councillor Mrs. Mwachina Hangapo Veico, with the help of learners of the Hare Hoado Pre-Primary school in Otjomuise.
