Volume 6, Issue 2: Sept. 2015

Celebrating the hall's renovation and our 5th Birthday

At the end of June we held a ceremony to celebrate the fact that the building work in the hall is complete, say thank you to our sponsors and celebrate our 5th Birthday!

Pre-schoolers entertained parents and guests with songs and dance.

We said goodbye and thank you to Hans Mulder, school architect and true friend of Wake up! through all the years.

The cake looked good!

Alice Jarvis from the Board of Trustees handed over a token of appreciation to Mr. Mukelabai from the New Apostolic Church.

From the Editor

This newsletter looks back at our winter term, sharing some of the highlights, such as our 5th Birthday.

Looking at the centre now, it is hard to remember how it all began!

The last term will be busy with a Spring Fun Day in October, end of year activities and closing off the school year at the end of November.

First Aid Training

On a freezing Saturday morning in July all staff were offered First Aid Training by ATA International Training Namibia.

Playground revamped

Our children love the new features of their playground. We would like to say thank you to Coral Superior Coatings from Okahandja for their generous donation of paint to create the mural.

The artist poses by his work.

Thank you to volunteer Janneke & staff for a great job of painting the playhut (photo above). The girls love their new kitchen (right). Parents painted all the tyres for the various play items (far right).

We celebrated the Day of the African Child with a...

Crazy Hat & Hair Day!
